It's reassuring when someone says, "I understand what you're going through," but when they respond with, "I've been there, too..."? That's powerful. It's this exact sentiment you'll hear woven through every melody and word Mary James shares.

Mary knows what it means to struggle, hurt, fail, and feel unworthy of forgiveness – she's been there. From a childhood riddled with abandonment and years of self-destructive choices, Mary ran headlong into the restorative love of Jesus, changing her life forever.

Sharing her story with vulnerability, depth and a refreshing dose of candor, those who hear Mary's heart can't help but find encouragement and the hope to believe transformation is possible. *"You may be sinful and broken—but you are loved beyond comprehension. With Christ, you can find the strength to rise above life's toughest challenges and live a victorious, God-glorifying story."*

Today, Mary is recognized as a 6-time Inspirational Country Music Association™ (ICMA) Female Vocalist of the Year, has garnered 20 No. 1 singles in the Christian Country genre, and is President of her own nonprofit organization. Mary James Ministries serves to ignite and strengthen people's faith, provide biblical encouragement, and help individuals develop an unwavering relationship with Jesus. Mary has two grown children, Tyler and Jessica, and lives in California with her husband Dan.

"MARY JAMES' WARM & beautiful STYLE BRINGS THE WORDS OF HER *music* RIGHT INTO OUR *hearts."* –DR. DAVID JEREMIAH
